OKLAHOMA SECRETARY
OF STATE

To the Honorable John Kevin Stitt, Governor of Oklahoma:

We the undersigned legal voters of the State of Oklahoma respectfully order that the following proposed amendment to the Constitution shall be submitted to the legal voters of the State of Oklahoma for their approval or rejection at the next regular general election (or at a special election as may be lawfully called by the Governor), and each for himself says: I have personally signed this petition; I am a legal voter of the State of Oklahoma; my first name, last name, zip code, house number, and month and day of my birth are correctly written on this form. The time for filing this petition expires ninety (90) days from _____ . The question we herewith submit to our fellow voters is:

Shall the following proposed amendment to the Oklahoma Constitution be approved?

BE IT ENACTED BY THE PEOPLE OF THE STATE OF OKLAHOMA THAT A NEW ARTICLE 3A OF THE OKLAHOMA CONSTITUTION BE APPROVED:

CONSTITUTION OF OKLAHOMA, ARTICLE 3A -- OPEN PRIMARIES

SECTION 1. APPLICATION

This Article shall govern the process for primary and general elections for the following elected offices: statewide offices, county offices, district attorney, members of the state legislature, members of the United States Congress (hereinafter, "covered offices"). This Article shall not apply to the election for the office of Presidential Elector, municipal offices, judicial offices, school board members, or any other office not specified herein as a "covered office."

SECTION 2. OPEN PRIMARIES

A. The primary election process for covered offices shall consist of an "open primary election." In an open primary election, all candidates for a covered office shall appear on the same ballot without regard to the candidates' affiliation or lack of affiliation with any political party and without regard to whether the candidates have been nominated or endorsed by any political party. Any qualified voter may vote for any candidate for a covered office, without regard to the voter's affiliation or lack of affiliation with any political party.

B. A voter in an open primary election may vote for only one candidate for each covered office.

C. The two candidates who receive the most votes in the open primary election shall advance to the general election, without regard to their affiliation or lack of affiliation with any political party and without regard to whether the candidates have been nominated or endorsed by any political party.

D. If only two candidates qualify to appear on the ballot in the primary election for a covered office, then those two candidates shall automatically advance to the general election, without regard to the candidates' affiliation or lack of affiliation with any political party.

SECTION 3. GENERAL ELECTIONS

Only those two candidates advancing from the open primary election according to Section 2 of this Article shall appear on the general election ballot for covered offices; however, the Oklahoma Legislature may, by statute, create a procedure to be followed if a candidate who has advanced

according to Section 2 will not participate in the general election due to death, withdrawal from the race, or disqualification.

SECTION 4. CANDIDATE BALLOT ORDER AND POLITICAL PARTY AFFILIATION

In both open primary elections and general elections for all covered offices:

A. Candidates shall appear on the ballot in a randomized order.

B. The ballot shall state, next to the candidate’s name, each candidate’s political party affiliation or unaffiliated status as of the date of candidate filing. A candidate does not need to seek or gain approval of the political party to have their affiliation with that party reflected on the ballot. Every ballot shall contain a statement informing voters that a candidate’s indicated party affiliation does not imply that the candidate is nominated or endorsed by the political party or that the party approves of or associates with that candidate.

SECTION 5. REPEALER

Article 3, Section 3 of this Constitution is hereby repealed.

SECTION 6. SEVERABILITY

The provisions of this Article are severable, and if any part or provision hereof shall be held void, invalid, or unconstitutional, the decision of the court so holding shall not affect or impair any of the remaining parts or provisions hereof, and the remaining provisions hereof shall continue in full force and effect.

SECTION 7. MISCELLANEOUS

The procedures described herein regarding open primary elections and general elections for a covered office shall apply to any special elections for covered offices.

All provisions of this Constitution, state statute, and common law of Oklahoma to the extent inconsistent or in conflict with any provision of this Amendment are expressly declared null and void as to, and do not apply to, any activities provided for under this Amendment.

The Legislature may enact legislation to facilitate the operation of this Amendment, but no law shall limit, restrict or conflict with the provisions hereof.

SECTION 8. EFFECTIVE DATE

This Article shall take effect 90 days after the date this Article is approved by the People; provided that, if the candidate filing period for a particular election begins before this Article is approved by the People, then this Article shall not apply to that election.

STATE QUESTION 835 INITIATIVE PETITION 447

PROPONENT'S SUGGESTED BALLOT TITLE

Proponent's suggested ballot title is:

This initiative, which would repeal Article 3, Section 3 and add a new Article 3A to the Oklahoma Constitution, would establish an "open primary" system for elections for certain offices. In the open primary, all candidates for a covered office would appear on the same primary ballot without regard to party affiliation, and any qualified voter could vote for any candidate without regard to party affiliation. A voter in an open primary could vote for only one candidate per covered office. The two candidates receiving the most votes in the open primary would advance to the general election, without regard to party affiliation and without regard to whether the candidates have been nominated or endorsed by any political party. If only two candidates for a covered office qualify to appear on the ballot, then those candidates would automatically advance to the general election. The legislature could create a procedure to follow if a candidate will not participate in the general election due to death, withdrawal, or disqualification. In all elections for covered offices, candidates would appear on the ballot in randomized order; candidates' party affiliation or unaffiliated status as of the date of candidate filing would appear on the ballot next to their names; and the ballot would state that a candidate's indicated party affiliation does not imply the candidate is nominated or endorsed by the political party. The measure may have a net positive or negative fiscal impact on the state. The measure would take effect 90 days after approval by the People, but if the candidate filing period for a particular election begins before the measure is approved, it would not apply to that election.

Shall the proposal be approved?
